2 / WAVE

The Wave freestanding bath is by Aqva Design. Its dramatic curved lines ensure comfort and reduce water usage – at just 80 litres, it is quick to fill. It features an elevated footrest and is available as a spa with integrated pump system.

6 / CUISINE

The Cuisine range from Hansa includes three different kitchen mixer designs. Each Cuisine mixer combines sleek, modern lines and a swivelling spout with water- and energy-saving technology and a hot water barrier to prevent scalding.
