8/ SELF-HEALING TAPE

An object of contradiction that can be used as an instant cure for broken objects; however, it leaves a trace of imperfection, fragility and aging. Start with your chipped, neglected objects. Make it yours, get cracking.

11/ VERTICAL GARDEN

Joost Bakker has teamed with Schiavello to produce a natural solution to the problem of indoor air quality. Space efficient, Vertical Garden reduces the impact of artificial spaces and provides vital environmental and health benefits.

SCHIAVELLO

T + 61 (3) 9330 8758

W www.schiavello.com

12/ WHERE MEMORY USED TO SIT

Where Memory Used To Sit is a range of furniture pieces using wicker in a contemporary mode. The "mutated" collection of different styles, including chairs and stools, gives traditional objects a new life with new values.

GUILLEM FERRAN
