

A black and white photograph of a large mechanical gear. The gear's teeth are prominent, creating a strong sense of depth and perspective. In the upper left corner, a portion of a person's profile is visible, looking towards the gear. The overall composition is industrial and technical.

Schiavello
Healthcare Furnishings

Schiavello continuously sets new standards in healthcare and commercial environments to enhance human performance, provide flexibility and durability, and allow optimum care delivery.

UNRIVALLED EXPERIENCE

Established in 1966, Schiavello has serviced work and living environments for over 40 years. A top 200 private Australian company, Schiavello is the largest Australian-based organisation in its sector.

AN INDUSTRY LEADER

Schiavello is internationally renowned for our research, design, engineering and manufacture of highly intelligent workplace systems that include demountable walls and partitions, workstations, seating, storage, joinery, occasional furniture, signage and IT solutions. Schiavello employs more than 1,200 highly trained personnel operating from 12 offices and four manufacturing plants.

TOTAL SERVICE SOLUTION

Schiavello is an integrated and advanced international company that offers interior, project and construction management services for commercial, healthcare, hospitality, education, retail and living environments. We can manage and deliver all sub-contractor activities with in-house expertise in electrical, carpentry, plastering, glazing, painting and manufacturing.

WORLD'S BEST PRACTICE

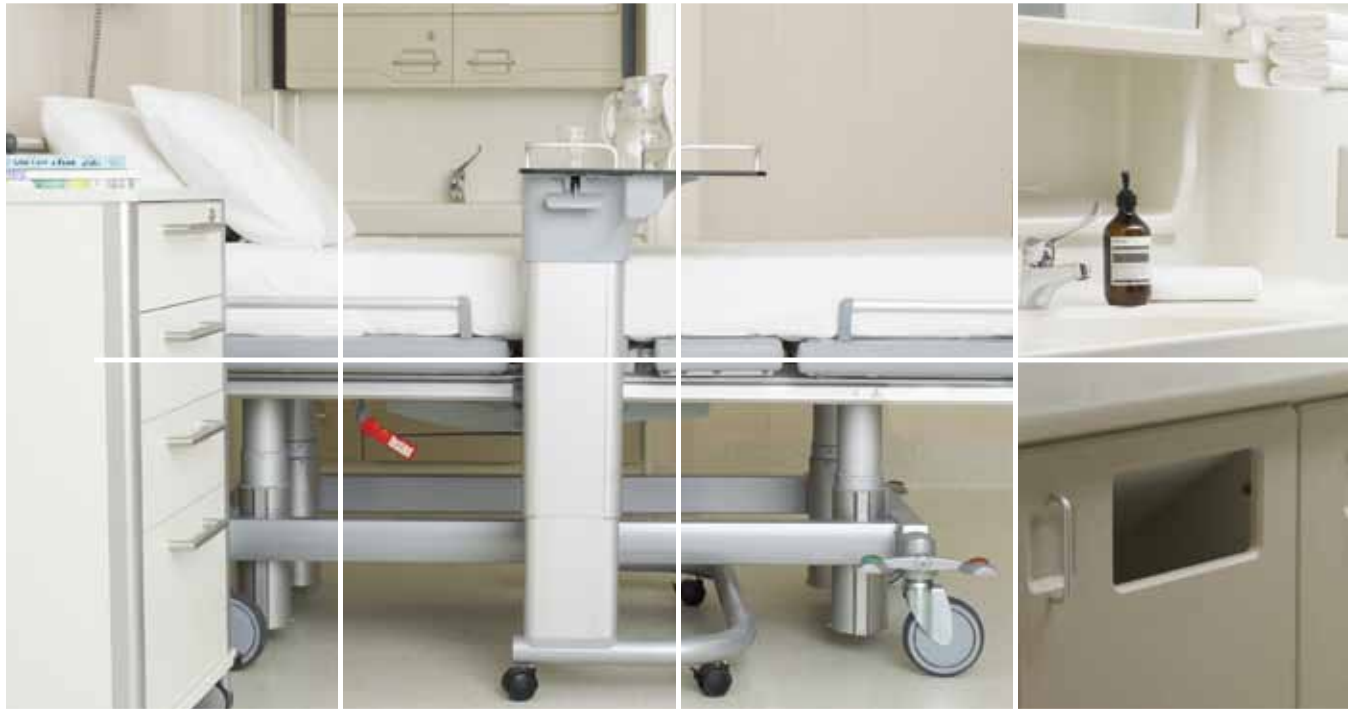

All products and services are based on sound environmental design principles in accordance with international certifications ISO 14001 Environmental Management System, ISO 9002 Quality Management System and AS/NZS 4801 OH&S Management System.

Positive,
ergonomically
sound health
environments.

Schiavello's dedicated Healthcare Furnishings team work with internal equipment planners and design professionals to develop cost effective furniture solutions that surpass compliance, maintenance and sustainability benchmarks.

Schiavello Healthcare Furnishings offers a complete solution to hospital furnishing requirements, from public and administrative areas, through to clinical areas including patient, consulting and treatment rooms and laboratories.

Utilising Schiavello's own suite of health-specific products or sourcing and specifying alternatives at trade prices, we will supply the most suitable products and materials for health environments.

Schiavello offers a wide range of products for special needs staff and patients, however we also have products that assist in the creation of positive, ergonomically sound work and administrative environments for all staff.

These include:

- Patient, visitor and recovery chairs
- Bed screens, blinds and curtains
- Case goods, bedside units, cabinetry and ward station joinery
- Task, executive, training and conference seating with desk, workstation and workbench solutions for administrative and laboratory areas
- Softwiring and ergonomic components to support equipment and technology
- Demountable, moveable wall panels
- Table and seating for café, canteen and breakout areas, fixed or loose, manufactured to specification
- Whitegoods

COST EFFECTIVE
Producing in Australia means we can meet your furniture and budgetary specifications, offering fixed-term contract pricing if necessary.

RELATIONSHIPS
Through a dedicated account manager, Schiavello Healthcare Furnishings will liaise with all necessary contacts, teams and contractors to ensure we provide the best solutions for your needs.

POINT OF DIFFERENCE

TAILORED SOLUTIONS
As Schiavello's manufacturing facilities are based locally in Australia, we can customise furniture to suit your individual requirements, specialised applications and timeline.

COMMUNICATION
We speak with end users, ergonomists, project managers, facility managers and supply departments to ensure the most appropriate furniture is specified for each project, no matter what your budget is.
