

# Specifications and Configurations

Piper is a part of a system that includes pieces of furniture that can stand alone, but can also be combined to create linear, back to back, corner, 90° and 120° tables, as well as standing and meeting tables. With so many configurations possible, Piper is a workstation that caters to the changing modern workspace, while remaining sturdy, strong and classic in design.

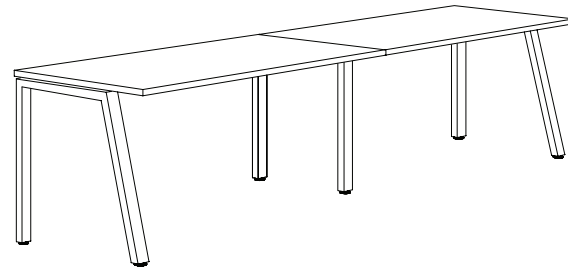

Single table

1200mm-2200mm / 47.2"-86.6" W  
700mm-800mm / 27.5"-31.4" D  
720mm / 28.3" H
