MODERN MARVELS

A range of homewares to enliven your living areas, tidy your workspaces and brighten your interior.

01
Curl lamp
Designed by Sebastian Bergne for Luceplan, Curl combines a light source and reflector in a simple sweeping curve. The lamp can be placed on its side or edge, and the LED light can be adjusted to create the desired mood. jsblighting.com.au

03
Kaleido trays
With nine colours and five geometric shapes, Kaleido is a geometric puzzle that is also functional. The trays allow the user to create their own designs, with uses from organizing workspaces to holding keys or serving drinks. corporateculture.com.au

02
ABCT cookware range
Made of 3-mm porcelain enamel on the exterior with a nanotech ceramic coating on the interior, knIndustrie's ABCT cookware range features mahogany wood lids that keep heat in until serving, and then double as a base to keep the pots from burning the table. lateliermaison.com.au

04
Reindeer wall-mounted hose hanger
Pictured in Gold Digger, Reindeer is ideal for those gardeners who want to combine design and function. Also available in White Snake and Black Swan, it can be paired with a stunning hose in a choice of similar colours. gardenglory.se

05
Another Desktop Series
Designed by Simon Donald and made by Another Country, this series is made of maple wood, brass and rubber, and provides an elegant way of organizing your desktop. luke.com.au

06
Bridge table
Designed by Ichiro Iwasaki, the Bridge table is part of Discipline's Bridge outdoor series, and features a simple, elegant structure. The table features a slatted Iroko timber top on a steel tripod base in a powdercoated finish. The collection also features a dining chair, bar stool and bench seat. stylecraft.com.au

07
Emily Tea Set
Subtle curves and slight angles guide the user to hold the Emily Tea Set with two hands, enhancing the act of tea drinking and allowing the user to enjoy the warmth. The handmade ceramic pieces consist of teacups, milk jugs and a sugar pot with a lid. eviegroupp.com
